Call to Order

On June 1, 2022 at approximately 2pm, Vice President Shelly Larson sent a group email to Board of Directors calling the question below.

Princess Committee Report

Shelly explained the bank account for the Princess Court at Key Bank had an outdated list of signers. Mark Opperman is the only valid name still on the list since George Medellin left the Chamber. To facilitate the committee making necessary purchase and enable the bank to assist the committee in reaching their goals, we need to update the signer list. While the Princess Chaperones are the primary spenders and receivers of money for the Princess Court, to ensure a level of oversight, the new signers will be other committee members and Mark Opperman.

VOTE: Shelly moved to approve herself, Michelle (Shelly) Larson and Alecia Gardner as signers on the Princess Court Committee account at Key Bank with Mark Opperman and to remove George Medellin and any other outdated signers from the account. The following responded AYE on this same date (June 1, 2022):

Mark Opperman, Shelly Larson, Marlene Peterson, Christy Duncan, Cassie Richey, Cooper Whitman, Blake Manley

All responses received prior to 5pm on June 1, 2022. Motion Passed.

Respectfully submitted,

Mark Opperman
Secretary
